

# TALARIA FARMS

FALL 2011

**THAMER AL KHALED IS WELCOMED TO THE U.S. WITH A MEMORABLE EVENING...**

**A NIGHT IN ANCIENT ALEXANDRIA**

Approximately 400 gathered at Talaria Farms on October 8th to welcome Thamer Al Khaled (El Thay Khemal Pasha x RN Al Shahba) to the U.S.

The night was filled with great food, libations, belly dancers, and beautiful horse presentations. The grand finale of the evening was the three stallions Thamer Al Khaled, Botswana, and TF Royal Shahbaz presented together around the reflecting pool.

Please visit our website [www.talariafarms.com](http://www.talariafarms.com), for more photos from the evening.

Al Bawady Stud, Cairo, Egypt generously leased this beautiful stallion to

Talaria Farms. At Egyptian Nationals at El Zharaa, Thamer was the 2007 Reserve Junior Stallion & the 2010 Reserve Senior Champion Stallion. We are extremely excited about this opportunity and he will be

bred to our finest Botswana daughters in the upcoming years. Contact us at [info@talariafarms.com](mailto:info@talariafarms.com) for breeding information.

## *TF Knight Hawke Teams Up with Sylvia Zerbini*

**TF KNIGHT HAWKE (BOTSWANA X BHF LADYHAWKE)**

TF Knight Hawke accompanied former Cavalia star, Sylvia Zerbini to Shannondale Farm in Georgia during her Grand Liberty Tour. Knight Hawke was used to demonstrate her technique on young horses.

Sylvia met Knight Hawk when she attended The Night in Ancient Alexandria party where he carried Curt's 6 year old grandson, James in front of the audience. She decided to come back to the farm on another day and spend some one on one time with the young stallion. In a short time, Knight Hawke was completely captivated by Sylvia and following her quietly around the arena with no lead. It was decided he would make the trip to Shannondale Farm where she would be able to demonstrate working with a young horse who had not been exposed to her type of training.

*It's That Time Again!*

It's time to start making plans for the 2012 show season. Talaria Farms limits the number of horses we take in for training and take to the Egyptian Event each year. This way, each horse is given the individual care and personal attention they need. Since space is limited, please send us your request early. We ask that all horses that have not been in a conditioning program, or had any training, be here by December 31st. If your horse has been in a conditioning or training program prior to this year, we would like to have them by January 31st. We will not accept horses after March 1st for show training for the 2012 Egyptian Event.

**TF Tszanzibar (*Botswana x Woodhill Tsabrina*)** went Top 10 at Nationals in Tulsa with Peri Tilghman in the Open Ladies Western Sidesaddle on Friday. Congratulations Peri and "T-Bar"!

## 2012 Stallion Line Up

**THAMER AL KHALED**  
El Thay Khemal Pasha x RN Al Shahba

Talaria Farms is both honored and excited to introduce to U.S. breeders the 2005 Straight Egyptian stallion, **Thamer al Khaled** (2010 Reserve National Champion Stallion of Egypt). Thamer is on lease to Talaria for two seasons from the Al Bawady Stud of Cairo, Egypt, and offers some very desirable and quite rare outcross blood for breeders in the U.S.

Thamer offers the Abeyyan om Jurays strain which is now fairly rare in the U.S.—and he is extremely representative of his strain, being showy and elegant with a high tail carriage and a refined long and upright neck. Moreover, Thamer also has a beautiful face with huge dark well-set eyes, a lovely disposition, and a gorgeous deep bay coat (even though he comes from a pedigree filled with grey horses), great legs and feet and athletic movement.
